Ready -To -Use Products From Cello

Quart Trigger

Each with its own trigger sprayer.

STREAK FREE

Glass & multi-surface cleaner, non-ammoniated and neutral. Pleasantly scented, leaves most surfaces sparkling clean. Use on glass, chrome, appliances, formica, laminates, etc.

Glass & Window Cleaner

Ammoniated formula for the cleaning of all glass & other non-porous surfaces such as ceramic tile, lavatory fixtures, formica, chrome, etc.

GLASS ETC.™

Non-ammoniated pleasantly scented glass and hard surface cleaner. Contains vinegar to effectively clean glass, countertops, chrome, appliances, hard fixtures, etc.

GLASS CRYL™

Specially formulated for use on acrylics, polycarbonates, polyethylene, and most plastic or vinyl surfaces. Effective cleaner on all non-porous surfaces such as plexiglass, mirrors, windows, TV & computer screens and all easily scratchable surfaces.

SPRAY & WIPE™

Safe, all purpose cleaner, effective for a wide variety of soils and grease. Recommended for any washable surface.

STRIKE FORCE™

Our most popular heavy duty cleaner/degreaser. For effective removal of dirt, grease, soap scum, crayon, smoke film and black heel marks from most surfaces.

FOAM AWAY™

Mild acid, high foaming, cleaner. Very effective for removal of soap scum, scale and soil without heavy scrubbing. Use on ceramic tile, shower doors, chrome, fiberglass and porcelain.

MILCIDE™

Viscous sodium hypochlorite formulation for complete removal of mold & mildew. Safe for use on ceramic tile, tub, vinyl, porcelain and fiberglass.

LEMON KIST® FURNITURE POLISH

Blend of liquid polish, cleaners, oils and natural wax. Contains no silicone. Excellent for wood, leather, plastic and metal furniture.

GLADIATOR®

Heavy duty lemon scented quaternary all purpose cleaner. MRSA, TB, and HIV claims. EPA Registered.

BIO BLAST™

Natural enzymatic bacterial digestant for use in drain line maintenance and in most odor control. Non-hazardous and biodegradable. Can be used with automatic dispensing systems, septic systems, urinals, etc.

D.B.C.™ Disinfectant Bathroom Cleaner

Non-acid quaternary disinfectant bathroom and all-purpose cleaner & deodorizer. Can be used on all non-porous surfaces. Very pleasant odor. Broad spectrum disinfectant. HIV Claim. EPA Registered.

ABOUT FACE® SPRAY BUFF

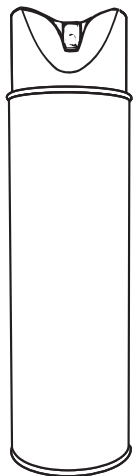

Cleans and restores finishes in one easy operation. May be used with any speed floor machine. Does not contain petroleum distillates, is non-flammable, non-toxic and is environmentally responsible.

UNIVERSAL CARPET SPOT REMOVER

Break down and solubilize a wide range of soils and spot-causing substances. Removes grease, lipstick, food, and many other hard to remove spots.

TSR™ TANNIN SPOT REMOVER

A truly unique product to remove stains from coffee, tea, rust, blood and many greasy soils. Also may be used as a browning preventative or as a treatment to remove browning after it has occurred. Removes most water rings.

Aerosol

GLASS & HARD SURFACE CLEANER

Ammoniated window, glass and hard surface cleaner. May be used on any non-porous surface.

S'GONE® DISINFECTANT CLEANER

Foaming quaternary disinfectant, deodorizing tub, tile and any non-porous surface cleaner. EPA Registered.

SLEEK™

Cleaner and polisher for metal and all hard surfaces. Non abrasive, non acid, leave no residue.

SPRAOL™

Oil based dust mop and cloth treatment. Helps attract dust and hold it onto dust mop or cloth.

ENVIRO-SEP®

Hospital type disinfectant air and surface spray. Includes kill claim for tuberculosis bacteria. EPA Registered.

ON & OFF®

Foaming, gel-type baseboard wax and floor finish stripper. May also be used to clean stubborn soil from stainless steel and ceramic tile.

FLORAL BOUQUET

Deodorizes the air with a pleasant floral fragrance.

POWDER PUFF

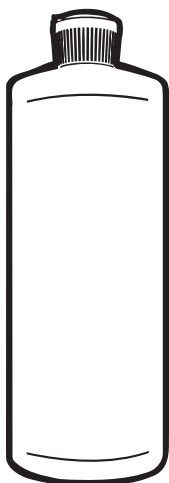

Dry Type Air Freshener -This popular fragrance removes odors while leaving fabrics sprayed dry and deodorized.

SPEARMINT

Same as above, but with a spearmint scent.

LEMON KIST®

Versatile cleaner and polish for all wood furniture. Foaming formula with less wax content is easier to use on laminates and other non-porous surfaces.

Quart Cylinder

NO-FUME DRAIN OPENER

Alkaline based formula, contains no phosphates, won't harm pipes, disposals, porcelain, yet is effective on grease and other organic matter. USDA Authorized.

PRO BOWL™

9% Hydrochloric acid bowl cleaner, to remove lime, hard water deposits, rust and other stains. Use on acid resistant surfaces, toilet bowls and urinals.

SIR JOHN™

9% Hydrochloric acid. Viscous liquid. Cleans, disinfects and deodorizes all acid resistant surfaces. EPA Registered.

SWITER® BOWL CLEANER

23% Hydrochloric acid emulsion bowl cleaner, disinfects and deodorizes. Use for problem stains on toilet bowls and urinals. USDA Authorized. EPA Registered.

THE RIGHT 1®

19% Phosphoric acid with a combination of cleaners and emulsifiers to effectively remove dirt, grime, soap scum, grease, etc. from shower stalls, sinks, tile, drinking fountains and grout.

SAFE-T-BOWL PLUS™

Non-acid, viscous, quaternary disinfectant cleaner with fresh pleasant odor. Broad range of claims including HIV-1 (Aids) virus and Herpes Simplex Type II. EPA Registered.

PROFESSIONAL BOWL

23% Hydrochloric acid for hard to remove lime and hard water stains. Economical.

BREVITY BLUE®

Liquid scouring creme, Leaves surfaces bright and pleasant smelling. Deep cleans & scours away soap scum, grease & heavy stubborn soils from porcelain ceramic tile, stainless steel, and most metals. USDA Authorized.

SOLARINE® METAL POLISH

An all purpose polish used in cleaning copper, brass, pewter, bronze, nickel, porcelain, tile and marble. Will not scratch or leave any residue. USDA Authorized.
