

# Environmentally Responsible

## ENVIRONMENTALLY RESPONSIBLE FLOOR CARE

### NO Zinc

FLOOR FINISH

Product Code: 9920B66

PACK SIZES: 4 /1G, 5G, 55G

This product is designed with the newest in environmentally preferable metal-free polymer technology for sealing and finishing all types of resilient flooring. It contains NO zinc, phthalates or alkyl phenol ethoxylates to harm the environmental or interfere with industrial wastewater treatment processes. This finish has exceptional gloss, durability, soil resistance, detergent resistance, recoatability, removability, and slip resistance. It is a combination sealer and finish that dries to a smooth, hard, clear and colorless coating in about 30 minutes under normal conditions. This finish is versatile and can be maintained using traditional maintenance procedures including scrub/recoat or high speed burnishing. This product has been **3rd Party Certified** by **Green Seal®** according to **GS-40 Environmental Standard** and is recognized by the **U.S. Environmental Protection Agency Design for the Environment (DfE) Formulator Initiative** for its improved environmental and human health characteristics.

### Cold Water

STRIPPER

Product Code: 9920B67

PACK SIZES: 4 /1G, 5G, 55G

This powerful wax and finish remover has been formulated with more environmentally preferred detergents and organic solvents. This green formulation replaces the harsh caustics and butyl based ingredients used in traditional wax strippers without sacrificing performance. It is ultra low odor and has extremely low volatile organic compound (VOC) content. Requires no neutralization prior to finish application. Dilute 1 part to 6 parts of cold water for most applications. This product has been **3rd Party Certified** by **Green Seal®** according to **GS-40 Environmental Standard** and is recognized by the **U.S. Environmental Protection Agency Design for the Environment (DfE) Formulator Initiative** for its improved environmental and human health characteristics.

*Cold water effective.*

### Neutral

CLEANER

Product Code: 9920B68

PACK SIZES: 4 /1G, cleanworks® 24 2 /2L

Use as a highly efficient multi-use cleaner for floors, walls, woodwork and other washable surfaces where a neutral pH range solution is desirable. Quickly removes soil without dulling, damaging, etching or harming floor finishes even when used for daily applications. Dilutes at 1 ounce per gallon (1:128) for most applications. This product has been **3rd Party Certified** by **Green Seal®** according to **GS-37 Environmental Standard** and is recognized by the **U.S. Environmental Protection Agency Design for the Environment (DfE) Formulator Initiative** for its improved environmental and human health characteristics.

*Cold water effective.*

## ENVIRONMENTALLY RESPONSIBLE CLEANERS

### Heavy Duty

CLEANER

Product Code: 9920B69

PACK SIZES: 4 /1G, cleanworks® 26 2 /2L

A high performance, extra strength heavy duty cleaner and degreaser for the toughest of cleaning jobs from the kitchen or industrial plant. Replaces conventional industrial and kitchen cleaner-degreasers with an effective environmentally preferable alternative. Quickly removes petroleum-based soils including motor oil, lithium grease, lubricant oils, hydraulic fluid and stamping oil. Use for spray-on/wipe-off cleaning, mop and bucket, automatic scrubbing, pressure washer or manual cleaning procedures. Dilutes at 1 ounce per gallon (1:128) for most applications. This product has been **3rd Party Certified** by **Green Seal®** according to **GS-37 Environmental Standard** and is recognized by the **U.S. Environmental Protection Agency Design for the Environment (DfE) Formulator Initiative** for its improved environmental and human health characteristics.

*Cold water effective.*

### Multi-Purpose

CLEANER

Product Code: 9920B70

PACK SIZES: 4 /1G, cleanworks® 23 2 /2L

Use as a high performance multi-surface cleaner, daily non-alkaline floor cleaner, scrub/recoat detergent, window cleaner, washroom cleaner, odor neutralizer, tile/grout cleaner and brightener and carpet care product. Dilutes at 1 ounce per gallon (1:128) for most applications. This product has been **3rd Party Certified** by **Green Seal®** according to **GS-37 Environmental Standard** and is recognized by the **U.S. Environmental Protection Agency Design for the Environment (DfE) Formulator Initiative** for its improved environmental and human health characteristics.

*Cold water effective.*

### Glass & Multi Surface

CLEANER

Product Code: 9920B71

PACK SIZES: 4 /1G, cleanworks® 25 2 /2L

Use as a high performance glass and utility cleaner. It can be used as a spray and wipe glass cleaner or with a sponge and squeegee. Leaves no residues. Helps prevent resoiling. Use on plexiglass, windows, mirrors, windshields, walls, countertops, cabinets, partitions, light fixtures, stainless steel, chrome, plastic, vinyl and other hard surfaces not harmed by water. Dilutes at 1 ounce per gallon (1:128) for most applications. This product has been **3rd Party Certified** by **Green Seal®** according to **GS-37 Environmental Standard**.

*Cold water effective.*

### Restroom

CLEANER

Product Code: 9920B72

PACK SIZES: 4 /1G, cleanworks® 27 2 /2L

Use as a high performance washroom general purpose cleaner. Concentrated cleaner for removal of soap scum, mildew, lime, water scale and rust deposits on porcelain, tile, ceramic tile and fiberglass surfaces. Safe for daily use on painted surfaces, porcelain, porcelain enamel, aluminum or stainless steel without etching or damaging them. Dilutes at 1 ounce per gallon (1:128) for most applications. This product has been **3rd Party Certified** by **Green Seal®** according to **GS-37 Environmental Standard**.

*Cold water effective.*

## ENVIRONMENTALLY RESPONSIBLE FLOOR CARE

### NO Zinc Floor Finish

- Contains no zinc, APE's or phthalates
- Multi speed product application
- High gloss
- Tough-durable
- Sealer/Finish

### Cold Water Stripper

- Low VOC compounds
- Low odor
- Formulated without harsh caustics and butyl
- No neutralizing necessary
- Contains no harsh petrochemicals

### Neutral Cleaner

- Excellent maintainer for polished floors
- Safe neutral pH
- Safe on painted surfaces
- Desirable for walls, floors and woodwork
- Safe and user friendly
- Highly concentrated

## ENVIRONMENTALLY RESPONSIBLE CLEANERS

### Heavy Duty Cleaner

- Contains no petroleum based solvents
- No VOCs
- High performance
- User friendly
- Effective against petroleum based soils

### Multi-Purpose Cleaner

- Can be used as scrub and recoat product
- Pleasant fragrance
- Multi applications
- Non alkaline formula
- Odor neutralizer

### Glass & Multi-Surface Cleaner

- Excellent drying time
- Streak free, film free
- Light utility cleaner
- Safe for the environment
- Pleasant to use

\* This product meets the Green Seal® GS-37 or GS-40 environmental standard based on its reduced human and aquatic toxicity and reduced smog production potential.

### Restroom Cleaner

- General purpose restroom product
- Safe on porcelain, aluminum and stainless steel
- Versatile dilutions for multi tasks
- Effective on soap scum, mildew and water scale
- Safe daily cleaner

**Recognized for Safer Chemistry.**

# CELLO GREEN™

CELLO GREEN™ is our new line of products that are DfE\*\* and/or Green Seal®\* certified. Environmentally responsible products are better for the environment and better for your health. By cleaning with products that are healthier for the air, ground, streams, and lakes (or waterways) there will be fewer chemical contaminants left behind to inhibit your health.

This means a cleaner, healthier space to work, learn, heal, or play.

## What is EPA DfE\*\*?

The U.S. Environmental Protection Agency's Design for the Environment (DfE) program seeks to promote the use of institutional cleaners and maintenance products with improved environmental and human health characteristics.

\*\*All products displaying the EPA DfE logo have been Formulated in Partnership with EPA Design for the Environment Formulator Initiative.

## Why Green Seal®\*?

Green Seal® is the most widely recognized name in environmental standards. The Green Seal® certification to GS-37 or GS-40 Environmental Standard is awarded only after rigorous evaluation, product testing and an extensive manufacturing process audit and plant visit.

\* These products meet the Green Seal® GS-37 environmental standard for industrial and institutional cleaners or GS-40 environmental standard for industrial and institutional floor care products based on its reduced human and aquatic toxicity and reduced smog production potential.
