

TECHNICAL DATA SHEET

GENERAL INFORMATION

PROFESSIONAL STRENGTH FABRIC & AIR REFRESHER is formulated to remove bad odors where other products may only cover up. Its fine mist penetrates deep into fibers and attacks odors where they hide.

FABRIC & AIR REFRESHER safely eliminates foul odors created from smoke, food, pets, cooking, and other musty, stale, offensive odors and leaves behind a pleasant, light, fresh fragrance.

Use FABRIC & AIR REFRESHER on carpet, upholstery, draperies, clothing, and virtually any fabric as well as in the air to completely eliminate bad odors.

Areas of use are hotel guest and meeting rooms, public areas, auto interiors, or anywhere fabrics are the source of odors.

DIRECTIONS

Test in an inconspicuous area of the fabric before using. Silk fabrics may show water spots and should not be sprayed.

Hold spray 12-14 inches away from fabric.

Spray fabric evenly with a fine mist until slightly damp.

As the fabric dries, the foul odor is eliminated.

For stronger odors, use more product or apply again.

KEEP OUT OF REACH OF CHILDREN.

WARNING: EYE IRRITANT. Avoid contact with eyes.

FIRST AID: In the event of eye contact, flush eyes with large amounts of clear water for at least 15 minutes. If irritation persists, seek medical attention.

SPECIFICATIONS

APPEARANCE: Clear Liquid

FRAGRANCE: Citrus Floral

DILUTION: Ready To Use

pH: 5.0 ± 1.0

VISCOSITY: Water Thin

FLASH POINT: 128°F

FREEZE THAW STABILITY: Stable Minimum 3 Cycles

SHELF LIFE: Minimum 1 Year From Manufacturer Date Of Sale
