GREASE-X TRAFFIC LANE CLEANER & PRE-OIL BREAK

TECHNICAL DATA SHEET

GENERAL INFORMATION

CelloBrite GREASE-X Traffic Lane Cleaner & Pre-Oil Break is a balanced blend of detergents and water-based solvents. It is designed to be used in pretreating soiled carpet traffic lanes prior to shampooing and/or extraction. GREASE-X quickly and effectively loosens oil and water-based soils, yet leaves no residue. Always test for colorfastness in an inconspicuous area.

*As recommended by major fiber producers and carpet manufacturers, this cleaner does not contain optical brighteners.

DIRECTIONS

Use commercial vacuum or pile lifter before using GREASE-X.
