

THRIFTY PINK HAND DISHWASHING LIQUID

B27

TECHNICAL DATA SHEET

GENERAL INFORMATION

CELLO THRIFTY PINK combines mildness and performance yet is economical to use. Contains no harsh alkali or strong harmful ingredients. It dispenses easily and gets dishes, glassware, and silverware sparkling clean. The extra high sudsing clear pink formula with its pleasant fragrance makes THRIFTY PINK one of our most popular hand dishwashing detergents. USDA Authorized.

DIRECTIONS

Run warm or hot water into the sink, add THRIFTY PINK at the rate of 1-2 ounces per gallon of water. Makes instant and long lasting suds in any kind of water. Prescraping dishes before placing them in the sink will allow THRIFTY PINK to work longer. On encrusted soil, allow dishes to soak for extended time. Wash glasses separately to promote a clean, sheeting rinse and prevent spotting.

CAUTION: Eye irritant. Keep away from eyes.

FIRST AID: Eyes: Flush with large amounts of clean, cool water while holding eyelids open for 15 minutes.

If irritation persists, contact a physician.
