

# *TECHNICAL DATA SHEET*

## **GENERAL INFORMATION**

Green Apple Dry Air Mist is the super odor eliminator that freshens the air when unpleasant odors occur in commercial, institutional, and industrial surroundings.

This unique Dry Air Mist eliminates tough odors in the air without messy fallout and combats odors trapped in all kinds of fabric, carpeting, upholstery and draperies, without staining.

Dry Air Mist super odor eliminator is available in these scents – Powder Puff, Spearmint, Cherry, Cinnamon, and Green Apple.

## **DIRECTIONS FOR USE:**

**TO DEODORIZE THE AIR:** Spray whenever odors occur.

*Allow a few seconds for fragrance to spread.*

**TO DEODORIZE FABRICS:** Hold can 15-18 inches from the surface and direct spray evenly. At this distance, spray will not leave a stain.

**SUGGESTED USES:** Offices, Nursing Homes, Rest Rooms, Food Service Areas, Upholstery, Draperies, Carpeting, Smoking Areas, Lamp Shades... and more.

**WARNING: FLAMMABLE:** Do not spray near flame or pilot light or where sparks are evident. Do not store where temperature exceeds 120 F or in direct sunlight as container may burst. Do not puncture or incinerate.
