

ON & OFF®
BASEBOARD CLEANER & WAX STRIPPER

B54

TECHNICAL DATA SHEET

GENERAL INFORMATION

ON & OFF is a NON-FLAMMABLE heavy-duty cleaner, stripper and degreaser specifically designed to clean and strip build-ups and soil from baseboard and floor areas. This unique product can be used to clean stainless steel, ceramic tile and fixtures.

DIRECTIONS

Shake well before using!

1. Do not spray on painted or finished surfaces. Test ON & OFF in an inconspicuous area to determine suitability of use before spraying a large area.
2. Hold can upside down about 6-10 inches from baseboard or floor surface. Spray a thin, even coating to cover soil and wax.
3. Allow to sit 3-5 minutes, then wet scrub the surface with abrasive pad or brush.
4. Rinse surface with clean water.

NOTE: Use in upside down position only. Gasses emitted when sprayed in upright position may ignite.

Contains ETHANOLAMINE and MORPHOLINE; listed Hazardous by OSHA 29 CFR 1900.1200 Subpart Z.

WARNING: CONTAINS 2-BUTOXYETHANOL. May cause skin and eye irritation. Avoid contact with skin and eyes. In case of contact, flush immediately and thoroughly with water. If irritation persists, seek medical attention. The use of rubber gloves is recommended. Use with adequate ventilation. Contents under pressure. Do not expose to heat or temperatures in excess of 120°F. Do not puncture or incinerate container. KEEP OUT OF REACH OF CHILDREN.

SPECIFICATIONS

APPEARANCE: Colorless liquid

FRAGRANCE: Solvent

pH: 10.2

SPECIFIC GRAVITY: 1.00

FLAMMABILITY: No

AMMONIA: None

CONTENTS OF CAN: 19 oz.
