

# CelloBrite®

CARPET CARE SYSTEM

## TSR TANNIN STAIN REMOVER

# TECHNICAL DATA SHEET

### GENERAL INFORMATION

CelloBrite TSR Tannin Stain Remover is a non-alkaline spot remover effective against yellow tannin type stains from coffee, tea, rust, blood, oxidized organic residues and additionally a specific grease removing agent to remove oily soils. In addition, tannin spot remover will not brown carpeting as will alkaline based detergents.

TSR Tannin Stain Remover contains a pleasant fragrance for greater user satisfaction.

Try TSR Tannin Stain Remover for all of your spotting needs.

\*As recommended by major fiber producers and carpet manufacturers, this cleaner does not contain optical brighteners.

### DIRECTIONS

**FOR STAIN REMOVAL:** Apply TSR Tannin Stain Remover directly to spot, lightly agitate with a carpet spotting brush until the spot dissolves. Blot with a clean, terry cloth towel, working from the outside toward the center. Repeat if necessary, then rinse thoroughly with water and blot dry.

**FOR THE PREVENTION OF BROWNING AFTER CLEANING:** Dilute TSR Tannin Stain Remover at 4 oz. per gallon of water and spray carpet immediately after shampooing or extraction cleaning operation.

**FOR THE TREATMENT OF BROWNING AFTER CLEANING:** Dilute TSR Tannin Stain Remover at 4 oz. per gallon of water and spray directly on carpet in areas where browning has developed or is developing. Perform spotting procedure as in directions.

**CAUTION:** May cause severe eye and skin irritation.

**FIRST AID: EYES:** If in eyes, flush eyes with clear water while propping eyelids open. Continue for 15 minutes. If irritation persists, immediately get medical attention. **SKIN:** Flush affected area with water and wash with soap and water.
