

TECHNICAL DATA SHEET

GENERAL INFORMATION

ANTISEPTIC HAND SOAP is a high sudsing hand soap that combines excellent cleansing ability with special anti-bacterial and anti-microbial properties. Antiseptic Hand Soap contains no free alkali and is non-irritating to normal skin.

ANTISEPTIC HAND SOAP is formulated to be mild to the skin even when used frequently. Special skin lubricants, lanolin, and other emollients leave skin feeling soft, smooth and comfortable.

ANTISEPTIC HAND SOAP is USDA Authorized.

DIRECTIONS:

Apply ANTISEPTIC HAND SOAP to wet or dry hands. Apply additional water and agitate hands together to work up lather and thoroughly clean hands. Rinse with clear water and dry.

ANTISEPTIC HAND SOAP does not contain phosphates and is biodegradable.
