

**THE RIGHT-1 ®
TILE, GROUT & PORCELAIN RESTROOM CLEANER**

Z90

TECHNICAL DATA SHEET

CLEANS • BRIGHTENS • DEODORIZES

GENERAL INFORMATION

THE RIGHT-1 is a carefully formulated combination of selected cleaners, emulsifiers and mild sequestering acids designed for safe use as an effective cleaner, brightener and deodorizer. THE RIGHT-1 was developed to easily and safely remove dirt, grime, grease, soap scum, hard water deposits, scale and discoloration by its foaming, clinging action without the use of highly corrosive hydrochloric acid.

THE RIGHT-1 is recommended for use to clean and maintain such hard surfaces as:

- Shower Stalls • Bathroom Sinks • Quarry Tile • Stainless Steel • Tub Enclosures
- Toilets and Urinals • Ceramic Tile • Drinking Fountains • Splash Panels
- Grout • Metal Surfaces (except zinc and aluminum)

DILUTION TABLE

The following are suggested dilution ratios for RIGHT-1 which may be adjusted according to conditions encountered.

Extra Heavy	1:3	42 oz. per gallon	Light	1:25	5 oz. per gallon
Heavy	1:6	21 oz. per gallon	Daily Maintenance	1:42	3 oz. per gallon
Medium	1:16	8 oz. per gallon			

FOR CLEANING CERAMIC TILE, QUARRY TILE AND GROUT:

1. Mix solution as required. Spread on surface. Allow to stand for 3 to 5 minutes.
2. Scrub tile and grout with stiff bristle brush.
3. Rinse thoroughly and let dry.

FOR SOAP SCUM REMOVAL:

1. Mix solution as required.
2. Wash surface with diluted solution. Agitate with hand pad or bristle brush if necessary.
3. Rinse thoroughly with plain water. Allow to dry and surface will be clean and bright.

FOR TOILET BOWLS:

1. Pour 1 gallon of water into bowl. This will release trap and remove 1/2 the water in the bowl.
2. Add 5 to 8 ozs. of RIGHT-1 to water left in bowl. Stir well.
3. Clean entire inside area of bowl with bowl brush or bowl swab. FLUSH. Bowl will be free of stains and odors.

FOR URINALS:

1. Flush urinal and remove urinal screen if present.
2. Pour 5 to 8 ozs. of RIGHT-1 into and around drain opening. Allow to soak for 3 minutes.
3. Clean entire inside wall of urinal with bowl brush or bowl swab. FLUSH. Replace urinal screen.

WARNING: Corrosive to eyes and skin. Harmful if swallowed. Do not take internally. Contains Phosphoric Acid. Avoid contact with eyes and skin.

FIRST AID: Skin: Wash immediately with soap and water. Eyes: Flush with clear water for at least 15 minutes. Get medical attention immediately. Ingestion: Give large amounts of water. Do not induce vomiting. Call physician immediately.

Do not mix with other chemicals, especially bleach or mildew removers, since toxic fumes may be generated.

KEEP OUT OF REACH OF CHILDREN

SPECIFICATIONS

APPEARANCE: Clear green liquid
FRAGRANCE: Wintergreen
VISCOSITY: 40 cps ± 10
ACID CONTENT: 19%

ACID COMPOSITION: Phosphoric and organic acids
SPECIFIC GRAVITY: 1.12
pH: 1

KEEP FROM FREEZING.
